Title:

Award of Contract for Old Monte Rio Road Slide Repair (Project C21601)

Recommended Action:

- A) Approve plans and specifications for the Old Monte Rio Slide Repair C21601.
- B) Award contract to lowest responsible bidder, REGE Construction Inc. in the amount of \$667,311 and authorize Chair to execute construction contract C21601.
- C) Approve a construction contingency for the project in the amount of \$66,731 for a total contract not to exceed \$734,042.

(Fifth District)

Executive Summary:

The Department of Transportation and Public Works (TPW) is recommending the approval of plans and specifications for the Old Monte Rio Slide Repair and associated award of contract in the amount of \$667,311 to the lowest responsible bidder, REGE Construction, Inc. As part of this project, TPW is recommending a 10% construction contingency of \$66,731 to account for unforeseen conditions or project items that cannot be predetermined prior to the start of the project, for a total cost of \$734,042. Costs associated with the construction contract are eligible for reimbursement through the Federal Emergency Management Agency (FEMA) for 75% and the State of California Office of Emergency Services (CalOES) for 18.75% of the allowable construction costs.

Discussion:

Old Monte Rio Road was damaged by debris flow and a landslide directly related to the storms of February 2017. The road suffered an approximately 164 foot slip out. The repair will include improvements to the roadway through the installation of a retaining wall (soldier pile) and road repair. The replacement section of the road will comply with applicable roadway and drainage standards to accommodate future storm events.

A Request for Bids along with associated advertising took place on August 1, 2019.
